Nissan Forklift

Nissan Forklift Training Markham - Nissan prides itself on reaching overall client fulfillment when their customer is enjoying one of their various trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and detail-oriented quality values to their clients. Incorporating a rich heritage combined with solid manufacturing principals, Nissan Forklifts offer many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering customer support, the business has four independent production facilities that allow them to constantly adapt to their customers continually evolving requirements by providing a variety of progressive ideas and designs.

The Nissan Forklift North and South American center is situated in Marengo, Illinois. A devoted team of 350 personnel is committed to the collaboration, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to preserve environmental responsibility by using techniques that diminish the worldwide influence of their products and processes. These high standards remind clients that Nissan operates under the quality seal that their clients command whilst being an environmentally aware corporation.

Nissan is quite confident that any of their clients inquiries and customer worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally endorsed sellers or even traveling to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their warmth and dedication.
