Genie Forklift

Genie Forklift Training Markham - Genie Industries prides itself with the concept of lifting individuals and resources higher, extending beyond the products they produce. A global business that is greatly connected to their customers and enjoys reflecting the spirit of relationship with everything they achieve. Genie Industries strives to help clientele erect their business no matter how large or small the scale of undertaking may be.

In 1996, with the introduction of the Genie Hoist, which is a pneumatic, portable materials lift spawned the foundation of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to satisfy consumer demand. These progressive goods secured global recognition and established modern product design.

Genie Industries is at this time a subsidiary of Terex Corporation. Maintaining leading quality manufacturing and uncompromising service and support are among their highest priorities. With customers from Helsinki to Hong Kong and Denver to Dubai requesting the distinctive blue coloured lift trucks on the jobsite, the business is self-assuredly grounded in their exceptional client service and values. Acknowledging that their clients are their greatest inspiration, the team at Genie Industries are personally committed to offering expertise and maintaining customer rapport.

The dependable staff is fully committed to greener, more environmentally sensible options to develop the goods that consumers want. Genie Industries focuses on "lean production" practices in order to help limit waste while producing very high quality forklifts in the shortest time period at the lowest feasible expense for the customer. The team at Genie Industries is proud to serve the industry and this is mirrored in every creation they design. Always welcoming client contribution helps them to produce and develop progressive new products that are effortless to service and handle, provide optimum value-for-cost and meet international standards. Thriving on consumer feedback enables Genie Industries to repetitively evolve and satisfy the consumers' needs.

Genie's service specialists are readily accessible to offer solutions to the inquiries you may have in order to keep you fully operational. Their expansive parts network will promptly ship parts to ensure their customers' equipment are running efficiently. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on consumer success. They build and service their goods to maximize performance and uptime on the job. Delivering on-going education opportunities, to marketing support to adaptable financing possibilities, Genie Industries provides their customers the resources to get the most out of their investment.
